

## **BEYOND WORDS AND THOUGHTS...**

"The last of the Prophets (Mahomet, SAW) was sent on earth to all nations so that they fear God definitively and live by love and peace; Sole conditions to build nations and to preserve the posterity. It belongs to us today, freely and conscientiously, to refer to it, learn to know each other, to listen to the **generation calls and dialogues**, to perpetuate their mission in order to save our people and our souls of those who do not have understanding but only violence as language, no other perceptible rather than their ego and own belly by perpetuating corruption, nor of respect for any life on earth. In this 21st century, the **popular masses** should understand it finally, in order to remove the remainders of the well engineered chains of humiliation and impoverishment in which they have been confined".

## **PEACE- EPHEMEROUS LIFE AND MISSION**

***"So long as our relationship is defined by our differences, we will empower those who sow hatred rather than peace, and who promote conflict rather than the cooperation that can help all of our people achieve justice and prosperity. This cycle of suspicion and discord must end.***

*We have the power to make the world we seek, but only if we have the courage to make a new beginning, keeping in mind what has been written.*

***I want to particularly say this to young people of every faith, in every country – you, more than anyone, have the ability to remake this world.***

***All of us share this world for but a brief moment in time. The question is whether we spend that time focused on what pushes us apart, or whether we commit ourselves to an effort – a sustained effort – to find common ground, **to focus on the future we seek for our children, and to respect the dignity of all human beings.*****

***It is easier to start wars than to end them.** It is easier to blame others than to look inward; to see what is different about someone than to find the things we share. But we should choose the right path, not just the easy path.*

- *The **Holy Koran** tells us, "O mankind! We have created you male and a female; and we have made you into nations and tribes so that you may know one another."*
- *The **Talmud** tells us: "The whole of the Torah is for the purpose of promoting peace."*
- *The **Holy Bible** tells us, "Blessed are the peacemakers, for they shall be called sons of God."*

***The people of the world can live together in peace. We know that is God's vision. Now, that must be our work here on Earth.***

*Thank you. And may God's peace be upon you'.*

### THE ASPIRATION OF THE PEOPLE: DEMOCRACY

*'I do have an unyielding belief that all people yearn for certain things: the ability to speak your mind and have a say in how you are governed; confidence in the rule of law and the equal administration of justice; **government that is transparent and doesn't steal from the people; the freedom to live as you choose.** Those are not just American ideas, they are human rights, and that is why we will support them everywhere.*

*There is no straight line to realize this promise. But this much is clear: **governments that protect these rights are ultimately more stable, successful and secure.** Suppressing ideas never succeeds in making them go away. America respects the right of all peaceful and law-abiding voices to be heard around the world, even if we disagree with them. **And we will welcome all elected, peaceful governments – provided they govern with respect for all their people.***

*This last point is important because there are **some who advocate for democracy only when they are out of power; once in power, they are ruthless in suppressing the rights of others.** No matter where it takes hold, **government of the people and by the people sets a single standard for all who hold power: you must maintain your power through consent, not coercion; you must respect the rights of minorities, and participate with a spirit of tolerance and compromise; you must place the interests of your people and the legitimate workings of the political process above your party.***

***WITHOUT THESE INGREDIENTS, ELECTIONS ALONE DO NOT MAKE TRUE DEMOCRACY''.***

*Thank you. And may God's peace be upon you'.*
