## THE HADITHS

The Qur'an consists of the word of God revealed in Arabic by God to the Prophet Muhammad (PBUH) over a twenty-two year period. He received the first revelation in the year 610 CE while engaging in a contemplative retreat in the Cave of Hira located on the Mountain of Light (*Jabal al-nur*) (also known as Mt. Hira), which is in the outskirts of Mecca. The Qur'an is distinct from *hadith*, which are the sayings of Prophet Muhammad (PBUH) or a report about something he did. It is agreed that Muhammad clearly distinguished between his own utterances (*hadith*) and God's words, the Qur'an.
